# Ben Marapin: Economía na Merca y Europa no ta di gaba

Economista. Ben Marapin, a comenta cu mundialmente situacion economico no ta di gaba y cu por bisa cu e ta drechando, unda na Merca e economia a recupera pero no ta creciendo, manera mester ta pa baha e desempleo. Ben Marapin, a indica cu keto bay e desempleo na Merca ta riba 8 % y tanten cu e keda asina halto, e no ta un situacion sano pa e pais. Mientras na Europa e situacion ta serio loke ta pone e situacion pecario ta

Italia y Spaña, mientras Spaña ta pasando den situacion dificil contrario cu Grecia ta un partner chikito den Euro y Spaña ta un di e grandinan. Locual ta China su situacion economico ta sigui crece pero no ta creciendo manera antes. Pa cu e situacion cu tin mundial no lo haci cu na Aruba e productonan no lo bira mas caro, manera cu wak economia ta slow e prijsnan tambe ta baha. Locual ta un problema ta e entrada di e, gdp,

e por wordo afecta negativamente y no sa si nos ta bay crece asina grandi cu a wordo anticipa, pero e parti mas preocupante ta e finansa publico, unda e debe di Aruba ta mucho halto mientras ta pagando un interes abou. Locual si e crecimiento no lo bay ta manera cu nos a custumbra y un poco cauteloso cu nos gastonan no ta malo, unda na Aruba nos ta gusta gasta locual nos tin na en-

trada y aki ta bon pa nos ta prepara pa cualkier momento.

Ben Marapin a bisa cu e refeneria ta un par-

ti substancial na nos economia y e impacto aki no ta dje grandi cu nos ta spera y nos economia no a colapse.

# Pueblo Soberano ta opta pa eleccion nobo na Corsou

Curaçao

Awe parti mainta tempran, pueblo di Corsou a lanta practicamente, sin Gobierno, na momento cu ya for di ayeranochi tabata core e rumor cu Gabinete Schotte lo cai mas tarda awe, diabierna, 3 di augustus y esaki a sosode tambe.

Na momento cu Helmin Wiels, lider di partido Pueblo Soberano, a dicidi di retira su sosten den Parlamento for di Gabinete Gerrit Schotte, kende awor ta leun, pa banda di su unico posibel salbabida, pa su Gobierno keda na bida cu

ta e lider di FOL, Anthony Godett, cu tin un asiento den Parlamento di Corsou. Resientemente, Anthony Godett, si a vocifera cu su persona ta cla pa bai bira Ministro di Asuntonan Social y cu su persona no tin ningun problema pa pasa y elo pasa e screening tambe pa por bira Ministro den e Gabinete di Gerrit Schotte.

Anthony Godett, ta e politico clave na e momentonan aki, na unda tur wowo ta riba su persona pa sa kiko elo bai hasi, esta si elo bai sostene Gabi-

nete Schotte of elo opta mescos cu Helmin Wiels, pa bai pa eleccion di Parlamento nobo.

Si mester bai pa eleccion nobo, lo por ta posibel cu esaki lo bai sosode den luna di oottober, proximo, aparentemente.

E pueblo di Corsou na e momentonan aki ta respira mas tranquil, pasobra un gran parti den e ultimo temponan aki, ya no tabata faborece e forma con e Gabinete Gerrit Schotte tabata hiba e pais, Corsou y sigur no na momento cu Consejo di Ministro di Reino, Hulandes a practicamente pone un forma di curatela riba cabes di Gerrit Schotte.

Mientras tanto e situacion di pais Corsou, no ta nada di gaba, specialmente e debenan astronomico cu tin y e presupuesto di 2012, cu ta carga mas di 100 milyon florin den cora y cu no

tin forma pa sali for di esaki.

Si e gobierno actual sigui, cu e apoyo di lider di FOL, Anthony Godett, ta mas problema so e gobierno aki lo por hinka pais Corsou aden, segun analistanan politico na Corsou, ta opina. Mientras, si bai pa eleccion nobo den Parlamento, e por trece cierto alivio, pero e situacion precario financiero y economico, ta keda un sumpiña, den wowo di e pueblo y esnan cu lo mester bai tuma rienda di e pais aki.

no ta mucho opcion ta keda su persona y cu no ta e tin e carta decisivo, den su man, pero na e momentonan aki esaki ta den man di FOL, su lider, Anthony Godett.

## Ultima ora

Un rato pasa, informe a drenta na cu ta indica cu partidonan di oposicion den Parlamento di Corsou, a presenta den un carta dirigi na Gobernador, Frits Goedgedrag, den cual e partidonan; PAR, PNP, FRENTE y e independiente, Eugene

Awor aki tur bista ta riba, ex-Prome Ministro, Emily de Jongh-Elhage, kende tambe den e dianan aki ta pidi pa eleccion nobo, mirando con e pais aki a ser malgoberna pa Prome Ministro Gerrit Schotte.

Den e fin di siman aki lo bai mira con henter e arena politico na Corsou lo desemboca y kiko lo ta e opcionnan di Prome Ministro Gerrit Schotte y ki elo bai hasi, cu

Cleopa, ta informa cu nan ta dispuesto pa forma gobierno, proximamente y di e forma aki tambe a keda indica cu nan no ta interesa pa keda lapi e Gabinete, Gerrit Schotte. Esaki no ta nifica cu Gobernador Frits Goedgedrag, lo bai acepta esaki sin mas y por keda cu e posibilidad habri, pa un eleccion pa Parlamento nobo, cu lo por sosode na Oktober proximo.

## Floyd Mayweather released from jail

LAS VEGAS -- Floyd Mayweather Jr. was released from a Las Vegas jail early Friday after serving two months of a three-month sentence in a misdemeanor domestic battery case.

The undefeated boxer walked out of the Clark County Detention Center beneath the glow of street lamps and glare of TV cameras to resume a boxing career that his lawyers and personal physician warned in court documents might be at risk. They said jail food and water didn't meet Mayweather's dietary needs, and lack of exercise space in a cramped cell of fewer than 98 square feet threatened his health and fitness.

Mayweather looked fit as he donned a leather Miami Heat cap, pulled a gray hooded sweatshirt over his head and shared hugs with about 20 family members and friends, including his 12-year-old daughter, Iyan-

na Mayweather, and his manager, Leonard Ellerbe.

He said nothing to the media as he got behind the wheel of a blue Bentley sedan with several friends, including rapper 50 Cent, inside and drove away.

A lot has happened in Mayweather's world since he was jailed June 1.

With no television in his solo cell, he couldn't see archival Manny Pacquiao lose his WBO welterweight title June 9 to Timothy Bradley Jr.

Mayweather, who goes by the nickname "Money," wasn't around to celebrate last month when Forbes magazine named him the world's highest-paid athlete for 2011. But Mayweather is now a free man, even if his next opponent is not immediately clear.

Ellerbe declined comment outside the jail late Thursday, where he waited with friends, including Mayweather adviser Sam Watson.

Promoters for Pacquiao plan on a fight Nov. 10 at the MGM Grand Garden arena in Las Vegas, Nevada Athletic Commission executive Keith Kizer said. Pacquiao's opponent hasn't been named, but Mayweather wasn't believed to be on the list.

Pacquiao, who earned \$62 million in fights and endorsements last year, ranked second on the Forbes richest athletes list behind Mayweather and his \$85 million in fight earnings.

To fight in Las Vegas, Mayweather will need a new license from the Nevada Athletic Commission, Kizer said Thursday. His last license, for the May 5 bout against Miguel Cotto, was for one fight only.

If Mayweather applies, commission chairman Raymond "Skip" Avansino Jr. could decide to grant approval administratively or summon Mayweather before the panel for a public

hearing, Kizer said.

Mayweather received about 30 days off his 90-day jail sentence for work time and good behavior. Nevada state law allows inmates to receive up to 10 days off per month for cooperating with jailers and working or being willing to work. Las Vegas police administer the jail, and a department spokesman said Mayweather wasn't required to work and didn't misbehave behind bars.

The 35-year-old boxer pleaded guilty last year to reduced domestic battery charges stemming from a hair-pulling, arm-twisting attack on his former girlfriend, Josie Harris, while two of their three children watched. The plea deal allowed him to avoid trial on felony charges that could have gotten Mayweather up to 34 years in prison if he was convicted. Harris and the children have since moved to the Los Angeles area.

Police say that as a high-profile inmate, Mayweather was kept separate for his protection from the other 3,200 inmates in the downtown Las Vegas facility.

Las Vegas Justice of the Peace Melissa Saragosa rejected arguments that Mayweather's accommodations were cruel and unusual. The judge ruled June 13 that while Mayweather might not have liked the regimen, he had sufficient space and time for physical activity and the only reason he wasn't eating properly was because he was refusing to eat the meals he was given.

The judge earlier gave Mayweather a break -- allowing him to remain free long enough to make the Cinco de Mayo fight against Cotto at the MGM Grand Garden arena in Las Vegas. Mayweather won to run his record to 43-0 with 26 knockouts. Cotto lost for just the second time in 38 fights.

# Roger Federer clinches medal

WIMBLEDON, England -- The cry came from the shadows of the Centre Court stands when Roger Federer fell behind in his Olympic semifinal.

"Not enough, Roger!" a British spectator shouted.

And so Federer gave the crowd more -- in the end, more tennis than anyone anticipated. He won the final set of an Olympic marathon 19-17 to achieve another milestone victory on his favorite stage.

Federer clinched the first singles medal of his career Friday, rallying past Juan Martin del Potro of Argentina 3-6, 7-6 (5), 19-17. At 4 hours, 26 minutes, it was the longest three-set men's match of the Open era.

Federer converted only two of 13 break-point chances, the second coming in the next-to-last game, and had several nervous moments. But he held serve 12 times in the final

set to stay in the match.

"I was very tense at certain times," Federer said. "I was seeing myself as a loser many times during the match."

With the comeback victory, four-time Olympian Federer is assured of at least a silver. On Sunday he'll play in the final against the winner of the second semifinal between No. 2-seeded Novak Djokovic of Serbia and No. 3 Andy Murray of Britain.

Del Potro will play for the bronze.

In 2008, Federer and Swiss teammate Stanislas Wawrinka won the gold in doubles. But Federer had been 0 for 3 in Olympic singles, the biggest blemish on a resume that includes a record 17 Grand Slam titles.

For duration, Federer's latest victory didn't rival John Isner's 70-68 final-set win at Wimbledon in

2010, or even Jo-Wilfried Tsonga's 25-23 win in the third set at the Olympics this week.

But the match offered epic drama magnified by the setting and the stakes for Federer. He improved to 12-0 this summer at the All England Club, including a record-tying seventh Wim-

bledon title a month ago.

"I definitely got a sense that it was something special," Federer said.

There were no match points until the final game. After a couple of wobbly moments by Federer, including a double-fault, he sealed the victory when Del Potro dumped a backhand

in the net.

Federer lifted his arms in jubilation, then leaned wearily on the net awaiting the big Argentine's handshake. They then shared a warm embrace.

"I felt for him in a big way," Federer said, "because I've been there as well."

# Josh Hamilton helps salvage Ryan Dempster's poor Rangers debut

ARLINGTON, Texas -- Josh Hamilton got back on track and helped the Texas Rangers' offense stay on a roll on Thursday night.

Hamilton drove in four runs and the Rangers bailed out Ryan Dempster in his Texas debut in a 15-9 victory over the Los Angeles Angels.

Hamilton hit .177 in July, but had his second four-RBI game of the season. He has 10 RBIs in his past nine games.

"Basically I've said stop thinking about it, stop listening to everybody -- everybody's got something to say," Hamilton said. "Just go out there and play. React. Try to slow the game down again. It worked. There's nothing wrong with my swing, it's just about trusting myself, not being too aggressive and trying to slow the game down again."

The Rangers broke an 8-8 tie after six innings when they scored

four runs in the seventh, including Hamilton's two-run double, and added three in the eighth.

Dempster allowed eight runs and nine hits in 4 2/3 innings. The Rangers acquired Dempster from the Cubs minutes before Tuesday's non-waiver trade deadline.

Roy Oswalt (4-2) threw two scoreless innings in relief for the win.

C.J. Wilson gave up eight runs and 10 hits in 5 1/3 innings. David Carpenter (1-2) took the loss for the Angels. Angels relievers were charged with 11 earned runs in 6 1/3 innings in the last two games of the series.

The Rangers earned a split of the four-game series with the Angels after Wednesday's night's 11-10 win in 10 innings.

"It was kind of a momentum kill from how we played the first two nights to how we played these last two," Angels manager Mike Scioscia said. "It's tough. It's a good team there and it's not a forgiving park if your guys don't hit their spots, and some of our guys in the pen had a tough time doing that."

It was the Rangers' first time scoring in double figures in consecutive games since May 7-8.

"It's been a lot of fun," Rangers

second baseman Ian Kinsler said. "We're starting to show some excitement. We have a lot of momentum offensively right now. This was more of a prototypical Rangers game where we scored as many runs as we needed to win. We kept pounding them."

Texas leads Los Angeles by five games in the AL West.

Kinsler went 3 for 5 and scored four runs and Elvis Andrus and Michael Young also had two hits and two RBIs as Texas finished with 18 hits.

Mitch Moreland and David Murphy hit back-to-back pinch-hit singles before Hamilton's double in the seventh.

Outfielder Torii Hunter led the Angels with three hits, two RBIs and a run scored. Kendrys Morales went 2 for 5 with a homer and two RBIs. Albert Pujols, Alberto Callespo and Howie Kendrick added two hits each for Los Angeles.

Besides Dempster, catcher Geovany Soto and rookie first baseman Mike Olt made their Texas Rangers debuts.

Soto went 2 for 5 with two RBIs and two runs scored, and Olt, a rookie from the University of Connecticut, went 1 for 3 with a run scored.

# Sistema Dominicano di carcereria ta hopi exitoso

Riba diabierna, e di dos dia di reunionnan di Parlatino, Comision di Derechonan Humano, Husticia y Carcelereria a bishita prison Sentro di Detenshon i Korekshon Korsou, antes Bon Futuro. Algun luna atras a bishita un prison di hende muher na Panama City, unda mas cu 70 hende muher ta sera den un lokal unda den situacion normal porta 20 persona por drumi. Tanto e situacion higienico como medico ta laga masha hopi di desear. Ademá, mayoria di e presonan eyden, despues di dos anja of mas sera, ainda no sa di kico nan ta wordo acusa formalmente.

Na Republica Dominicana a introduci algun anja pasa un sistema carcelario completamente nobo den su estilo. E sistema ta ofrece curso nan, estudionan y diferente tipo di trabou practicamente henter dia. Pues e preso ta keda masha poco ora sera den su cel y ta pasa mayoria di su oranan hpracticando actividadnan constructivo. Condicion ta si, cu e preso mester cualifica pa por participa den e methodo aki. Den e methodo aki ta ex-

isti tambe e posibilidad pa presonan cu cualifica, por acumula punto na na diferente manera. No solamente cu bon conducta, pero tambe cu trabaonan y cursonan durante e tempo cu nan ta sera. E puntonan acumula por wordo cambia pa reduccion di castigo. E institucion ta brinda entre otro programanan di educacion, rehabilitacion y recreacion cu acceso na servicionan di salud fisico y mental. Pues bastante diferente na prissonan tradicionnal den nos regio. E pensamiento tras di esaki ta cu for di momento cu un persona haya un condena, mester

cuminsa prepara y rehabilita e preso cu e meta pa evita cu e bolbe haya su mes ta comete un crimen of muestra actitud criminal. Principal ta pa e persona aki haya tur oportunidad pa incorpora su mes na un manera productivo den co-

munidad. Cu implementacion di e sistema penitenciario nobo aki ta cambia e concepto di prison pa uno di un centro di coreccion y rehabilitacion.

For di dia cu e sistema aki a wordo introduci na Republica Dominicana un porcentahe masha chiquito- te awo menos di 10%- ta bolbe cai den bida di crimen. Compara cu otro paisnan den region unda e cantidad cu ta

recidivi ta mas cu 80%, por bisa cu te awo e programa aki ta muestra di ta un exito. Desiree ta masha contento cu e informacionnan ricibi, y pronto kier intercambia di idea riba e topico aki cu nos Minister di Husticia, sr. Dowers.
